the most repressive climates for Black people in North Carolina history, Black men and women navigated Reynolda's segregated spaces—farming the land, constructing buildings, and working as domestic staff within Reynolda's walls. During this era, segregation, the exploitation of Black labor, and laws that regulated Black behavior affected the lives of all individuals in the Reynolda story, whether at Reynolda or at the R.J. Reynolds Tobacco Company. While the struggle for equality did not end with the Civil Rights Act of 1964, the story of Reynolda pivoted to one of a public cultural institution. When it opened its doors in 1967, Reynolda's intersection with Black lives shifted as the young, fledgling museum provided a venue for Black artists to celebrate their art. Artists such as Jacob Lawrence, Romare Bearden, and Maya Angelou transformed the historic setting into a stage for their art and teachings. Through art, letters, photographs, and audiovisual recordings, "Still I Rise: The Black Experience at Reynolda" examines Reynolda's complicated past in a space designed for reflection and healing. This exhibition has been made possible in part by the National Endowment for the Humanities. **East Bedroom Sleeping Porch, Ongoing** - Featuring a condensed version of the fall 2023 exhibition "Smith & Libby: Two Rings, Seven Months, One Bullet". This semi-permanent exhibition presents a fascinating look at an unsolved shooting that rocked the Reynolda estate and made national headlines in 1932. Like most family homes, Reynolda House witnessed its share of tragedies, none more shocking than the death by gunshot of Zachary Smith ("Smith") Reynolds, youngest child of R.J. and Katharine Smith Reynolds. Soon after midnight on July 6, 1932, Smith was shot on a sleeping porch at the family's country estate. Smith died later that morning. Smith's wife Libby Holman and Smith's childhood friend and secretary Albert "Ab" Walker were ultimately charged with first-degree murder. In a stunning reversal, the case was dropped before coming to trial. To this day, it is not known whether Smith Reynolds, 20-year-old heir and renowned aviator, died by suicide, accident or murder. **Ongoing** - Collection of 18th through 20th century art, sculpture, American art, and pottery.
